

## 2024 Sponsorship opportunities--3 events, same great cause!

**Addiction impacts all of us**, and those dealing with the disease of addiction are your workers, their families, your friends, and maybe even your family.

**Running2bWell** (501c-3) provides free wellness programs and a vital point of social connection and encouragement to be more physically active. Addictions and mental health struggles continue to plague our communities and families. Regular exercise in a supportive group is a simple and proven solution to both problems. Please consider sponsoring one of our 3 events in 2024. Check out the benefits of different levels on page #2.

Proceeds subsidize: shoes for new runners, apparel, gym membership during winter months, race entry fees, whatever is needed to get people moving. In 2023, Running2bwell provided:

- **608 pairs of shoes.**
- **Social connection and fitness programs for 200+ people each week.**
- **We doubled our reach in 2023 and have new groups planned in 2024.**

Our family friendly events are professionally timed (for the serious runner) but the main focus is on having fun, celebrating health/wellness, and supporting our cause. In 2023, we had 1200+ people enjoying our 3 events.

They have become a tradition for many local families and will be a great marketing opportunity for your organization, while supporting an amazing cause.

Registration is open: <https://runsignup.com/w/Running2bwell>

With your help we're changing lives!

Keith Johnston
